

# Material Handling Hose and Tubing Technical Specifications

## Typical Material Handling Hose & Tubing Construction

Tube	EPDM NR SBR/NBR
Reinforcement	Textile with Wire Helix
Cover	EPDM Neoprene SBR
Temperature	-40 F to 200 F

Inside Diameter	Length
14" – 24"	Up to 24 ft.
26" – 40"	Up to 20 ft.
3/8" – 12"	Up to 50 ft.

### Other Features

- Beaded ends
- Built in Rubber Flanges
- Built in Stainless Steel Flanges
- Built in Stainless Steel Nipples
- Large Ends
- Soft Cuffs

MADE IN AMERICA
